MELANIE BRIGHT | LIBRARIAN OF SOULS

Creator of Interior Life Design | Author | Spiritual Educator

Melanie Bright is a **Librarian of Souls**, author, spiritual educator, and creator of **Interior Life Design** - a framework for understanding the beliefs, agreements, relational structures, and unseen influences that shape a life. Her path began after her infant son survived two open-heart surgeries, a crisis that transformed her understanding of authority, responsibility, relationship, intuition, and conscious choice.

Drawing on more than three decades of embodied intuitive practice, Melanie specializes in spiritual contracts, relational clarity, spiritual safety and discernment, and relational repair across the veil. She helps people identify deeper patterns, distinguish intuition from fear or distortion, and determine what may need to be completed, released, repaired, or renegotiated. The Akashic Records are one of the tools she uses; Melanie remains the active practitioner, and the client remains the chooser.

Melanie co-created and co-hosted the YouTube channel ET Connection, was featured in Japan's anemone magazine in 2025, and is developing books on Interior Life Design, relationship, spiritual responsibility, consciousness, and continued connection across the veil.
